## **ALPORA Innovation Europe Fund - Winner of the Scope Award 2022 Switzerland and Germany**

**AMG Fondsverwaltung AG wins the Scope Award 2022 for the ALPORA Innovation Europe Fund. The fund receives the award as best fund in Switzerland and Germany in the category "Equities Europe". The fund has outperformed its benchmark by over 170% (as of the end of October 2021) since its launch in 2014.**

The Scope Award is the most traditional and important award for fund and asset managers in the German-speaking world. While all awards on the market focus exclusively on quantitative criteria, the Scope Award also takes comprehensive account of qualitative criteria.

### ALPORA Innovation Europe Fund

The [ALPORA Innovation Europe Fund](#) was launched in October 2014 and invests in equity securities of European companies (incl. Switzerland). Two tranches are managed in the fund reference currency EUR. In addition, currency-hedged tranches are offered in CHF and USD. Subscriptions and redemptions are processed daily at the current unit value.

The fund's unique investment concept is convincing. It essentially evaluates the innovation efficiency of companies across all sectors. Companies with a high level of innovation efficiency achieve sustainably higher returns, which generally has a positive effect on their share price performance.

### AMG Fondsverwaltung AG

AMG Fondsverwaltung, based in Zug/Switzerland, manages six equity funds with a total volume of around CHF 900 million, including the ALPORA Innovation Europe Fund. The investment focus of the funds is on the three investment themes, namely "Innovation", "Precious Metals" and "Value & Quality". AMG Fondsverwaltung has a team of 11 employees, including 6 analysts and portfolio managers, and is licensed by FINMA as a "manager of collective assets".
